SALVAGE YARD SHINE BOYS, LLC

EXECUTIVE SUMMARY

FOR

“SALVAGE YARD “SHINE” BOYS”

A THEATRICAL-LENGTH MOTION PICTURE

THE PRODUCTION COMPANY

Salvage Yard Shine Boys, LLC (“Production Company”) is a Massachusetts limited-liability company and its managing member is Christopher R. Hensel, having its office at 221 Hillside Road, Southridge, MA 01550.

The Production Company has been formed to own, finance, produce, distribute, and exploit a feature-length motion picture and its ancillary rights based upon an original screenplay written by Christopher R. Hensel entitled “Salvage Yard “Shine” Boys” (“Picture”).

Christopher R. Hensel will serve as the producer and director of the Picture and Jesus Sifuentes will be the line-producer for the Picture.

THE PICTURE

The Picture is a faith based family film that tracks a young country western singer’s journey into stardom. While she (Kat) is working for her moon-shining functioning alcoholic parents and grandfather at the Salvage Yard, writing music and singing at church and talent shows, she gets kidnaped by an old high school bully turned hardened criminal who is seeking out revenge against the family. The estranged brothers, caused by a fight over a girl 21 years before, have to put their differences aside and try to come together to save her life.

THE PRODUCTION

Production Company intends to produce a high-quality, independently-financed, feature-length motion picture suitable for theatrical distribution.

PRODUCTION SCHEDULE

The Picture is currently in development and a final draft of the screenplay for the Picture is completed. A script break-down and budget are being finalized along with the financing package to be presented to potential investors. Pre-production is scheduled for approximately 8 weeks commencing immediately prior to principal photography, followed by 4 weeks of principal photography. A completed Picture ready for exhibition to distributors and at film festivals is expected 4 months after completion of principal photography.

The Picture will be filmed in Baxter, Tennessee and is expected to begin production shortly after when total financing for the Picture is obtained.

BUDGET

The total production budget for the Picture is \$1,400,000.

The Picture will be filmed in high-definition digital-video. The Budget will be sufficient for the Production Company to deliver a completed, hi-definition, digital video master of the Picture ready for screening at festivals and for distributors and for commercial release and exploitation of the Picture in theatrical distribution, on DVD, video-on-demand (VOD), and for television and electronic broadcast of the Picture.

DISTRIBUTION OF PICTURE

Production Company will market the Picture to distributors in all markets and for all media, including for domestic and foreign theatrical distribution and on DVD, video-on-demand (VOD), and television and electronic broadcast of the Picture. Marketing activities will include private screenings for studios and distributors and alternatively applying for entry into international film festivals and markets which serve as showcases for new productions, particularly for new independent films.

CAST AND CREW

Due to the Managing Member's and his team's contacts in the motion picture industry, they have access to professional actors, crew and other talent to whom they intend to present the Picture prior to and after obtaining production funding. The cast and crew will be employed by Production Company during the pre-production for the Picture. The Production Company intends to employ Screen Actors Guild (SAG) members.
